

BEST TOOLS never die

Tools for eternity. In ultra-cool storage solutions.

For those with infinite personality. Like you.

Valid until February 28, 2026

MADE FROM STEEL. BUILT TO LAST.

The new STAHLWILLE tool trolley: Cool look, strong finish!

For everyone who doesn't just work – but gets things done. For those with infinite personality. The TTS95 PRO in the new **Best tools never die** design with high-quality UV coating. Either as a tool storage solution for existing tools, or equipped with pre-configured tool sets.

Workshop trolley, empty

High-quality and perfectly equipped, 7 fully extending drawers and paper roll and spray can holders included as standard. High-resolution, durable print image thanks to modern UV printing process (no foiling).

Certainty.

Three-stage safety concept: Central locking with a lateral cylinder lock. The individual locks prevent inadvertent opening during transit – the tilt protection prevents multiple drawers from being pulled out at the same time.

Robust.

A solid construction and high-quality materials ensure exceptional durability. With a tightly welded stainless steel tray – so no liquids can penetrate into the interior of the trolley. Includes an all-round impact protection and shock absorbers.

Resilient.

Thanks to its robust construction, the 95 PRO has a static load capacity of 750 kg. Thanks to reinforcements, the drawers hold with 30 kg, and the bottom drawer can even take 45 kg.

STAHLWILLE TOOL SETS – Best tools never die-Edition.

Quality that lasts. Style that stands out.

Discover our exclusive Best tools never die promotion – with high-quality professional tools, perfectly organized and always at hand. Your new tool trolley, the TTS95 PRO NDE, with its cool design, is not only packed with technology, it has infinite personality. You can choose from 5 preconfigured sets, from Core to Ultra. No matter which set you choose, you will always benefit from an excellent price/performance ratio.
